

Call for Research Participants

In this study, we want to understand how Black womanhood shapes the experiences of living in and navigating the City of Cambridge

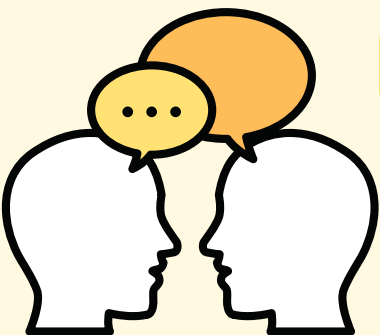

You are

- A Black/African-American Woman
- Age 18 - 65
- Living in one of the following neighborhoods:
 - The Port
 - North Cambridge
 - Baldwin
 - West Cambridge

You will do

- One 30-45 minute in-person interview while walking in your neighborhood
